REPORT OF BUDGET COMMITTEE

To the Voters of New London:

In accordance with the Laws of New Hampshire Chapter 52, the New London Budget Committee held four meetings, two closed and two public hearings. These hearings were well attended.

The committee was unanimous in its approval of all articles in both town and school warrants with the exception of two, one pertaining to the purchase of a new fire truck and the other to the regrading of the Nelson lot. However we felt that neither article should be excluded from the town warrant.

Respectfully submitted

1953 New London Budget Committee
ANNA E. RICH,
Chairman

AUDITOR'S REPORT

I have examined the books and accounts of the Selectmen, Town Clerk, Town Treasurer, Tax Collector, Road Agent, Cemetery Commissioners, Sewer Commissioners and Trustees of the Trust Funds; have compared their several accounts, vouchers and bank statements of funds on deposit, and find these records to be in agreement, and believe these reports to be a true record for the conduct of the Town business for the year ending December 31, 1952.

WAYNE K. WHEELER,
Auditor

REPORT OF THE PLANNING BOARD

The Planning Board of New London has completed a study of the proposed extension of Everett Park Road from the residence of Guy Williams to the main highway between New London Fuel Company and the residence of Maurice Shepard. A survey has been made of this extension.

Projects under study but not completed include the extension of Gould Road, across Pleasant Street, at the rear of Whittemore residence; extension of school street from Trudeau residence toward and parallel to Little Lake Sunapee Road; extension of Burpee Lane above residence of Maitland Shepard toward South Pleasant.

The Board has contacted the Public Service Company of New Hampshire to arrange the location of a new transformer on So. Pleasant Street.

The Board has also completed its first steps on a Master Plan Layout which includes an enlargement of a U. S. G. S. Map, placed on tracing cloth to obtain Paper Prints for use by the Board.

Another Project that is being carried out is a set of prints drawn up from a State Survey along State Highways showing a great deal of houses and property owners in proportions to the existing highways.

ANNUAL REPORT
NEW LONDON SERVICE ORGANIZATION, INC.

1952 ACTIVITIES

The New London Service Organization, Inc., opened its ninth year of service, January 26th with the Annual Meeting which was held at the New London Inn. The members were dinner guests of Mr. Herbert D. Swift. All other 1952 monthly meetings were held at the Tracy Memorial Building.

Mr. Robert J. Livingston was elected President, succeeding Mrs. Kenneth Rich. Mrs. William F. Kidder was elected First Vice President, Colonel Edwin E. Nash, Second Vice President, Mrs. Vaughn Biggert, Clerk, and Mr. Herbert D. Swift was reelected Treasurer. Mrs. Arthur S. Little, Jr. and Mrs. Rene Trudeau were elected as Directors.

The organization continued its primary function of loaning funds to veterans. In addition, local men and women in the Armed Services were remembered at Christmas. A picture cover for the "News Letter" was also provided during the past year.

In keeping with earlier contributions for the Memorial Athletic Field at the New London High School, the organization gave $120 for baseball uniforms for boys there in the Little League, under the able direction of Mr. Sumner Woodward.

Floral Memorial Gifts were presented Mrs. Jack Burns, Mrs. Annie Parshley, Mrs. Charles Messer and Mrs. Charles Gay on Memorial Day.

Five settees for the convenience of the public were placed along Main Street and at the bathing beach at Elkins.

The organization again arranged for summer movies twice weekly at Whipple Memorial Hall.

NOTES TO TREASURER'S REPORT
NEW LONDON SERVICE ORGANIZATION

During the past year, our ninth in point of service to the New London area, we maintained six Trust Funds, as reported above. These funds were given to us to administer, each to serve a different purpose in the Town of New London. They are our, Veterans, Kneeland Parshley, Burt Gay, Richard Edwin Messer, Expense and Charity Funds.

We closed the year with four loans to Servicemen for a total of $1,005 on the books, although one was paid up and a new one was opened during the year.

The Summer Movies were conducted at a loss even though enjoyed by many of our summer visitors. In other years this has resulted in a profit to our Veterans Trust Fund.

At our expense, we gave an illustrated cover to one of the issues of the servicemen's "News Letter".

Uniforms were purchased for the Junior League Baseball Club at the High School.

Two new benches were purchased to bring our total to five, which were placed along Main Street and at the Bathing Beach in Elkins.

Flowers were sent to Gold Star Mothers on Decoration Day.

As usual, Christmas gifts were sent to all in the service, whether at home or overseas.

No fund raising projects were undertaken during the past year, so with the above list of expenditures our total assets fell off a little over $122 as compared with this time last year. This, despite the fact that certain of our Trust Funds increased somewhat during the past year.

Respectfully submitted,

HERBERT D. SWIFT,
Treasurer

ANNUAL REPORT
TRACY MEMORIAL LIBRARY

Tracy Memorial Building

The New London Public Library, by vote of the Town, is now known as the Tracy Memorial Library, in memory of Mr. and Mrs. James J. Tracy of Cleveland, Ohio. Both had been benefactors of the town during their lifetimes and left substantial bequests to the library in their wills.

A record of the circulation of books and periodicals shows a gain in the children's department in books and in magazines. We think this may be because of our new hours of opening for the bus pupils of the Central School. Twice a week, on Mondays and Fridays, we open from twelve noon to one p. m. for their convenience.

Adult fiction	6973
Adult non-fiction	2202
Adult magazines	1053
Juvenile fiction	4049
Juvenile non-fiction	746
Juvenile magazines	428

We have added 410 new books during the year, twenty-six of which were gifts of friends and publishers.

There have been 12,236 visitors to the library this year.

The Central School has called on us for 293 books for supplementary and reference reading. Mrs. Cricenti's kindergarten has also borrowed twenty-five books from us for learning and entertainment. We have regularly carried and exchanged books at the Worthen Convalescent Home in Elkins for the patients there.

All inter-library loans have been met with promptness and a cordial interchange of books maintained with the Fernald Library at the college. The State Bookmobile comes on alternate months with a fresh supply of children's books which are greatly needed and welcomed in the children's room.

As usual, especially at theme time, our reference materials are widely circulated among the students in the town and in the college. We have answered 175 requests for special material.

The Woman's Club and the Garden Club use the auditorium for monthly meetings and the club room is in constant use for small gatherings.

During the year we have tried to observe all holidays and special events with appropriate displays and posters.

In July Dr. J. Duane Squires presented to the library the first copy of the new Town History (1900-1950), which was written by him and published by Evans Printing Company of Concord. This volume, in memory of Mrs. Mary B. Macomber, for many years a loyal friend and active trustee, was given by Mr. and Mrs. Frank B. Butler. Dr. Squires expressed grateful appreciation to the following people for their respective contributions to the appendices: Mrs. Mildred Crockett Tunis, Mrs. Helen Kidder Greenaway, Mrs. Nancy Lord Daniels, Mrs. Elizabeth Blake Ripley, Mr. Donald K. Sieburg and Mr. William M. Kidder. Since then, two more copies of the history have been given to us by Mrs. M. C. Tunis and the Wallace family, and are now in circulation.

During August, Mrs. Dorothy Dey Howard of Boston and New London, exhibited some of her oil paintings and many interested visitors attended her display.

One summer afternoon, an important occasion was experienced in our library when Mrs. Daniel Dunbar Seamans presented the Bible of New London's first minister, Elder Job Seamans, to us. The Bible is housed in a special glass-covered box and is on display at all times to any interested persons. Everyone is cordially invited to come to view the Bible and share in the town's pride and ownership of this historically valuable book.

The Round-up of vacation readers was held in July and August with twenty-eight children enrolled in the club. We had many enthusiastic readers through the summer, several reaching a total of one hundred books read. On August thirtieth, a party was held for all members. A book quiz, games and a puppet play by Judith and Jacqueline Kezar of West Springfield, kept everyone amused and happy. The librarians gave out diplomas to eleven children and awards to ten others. A special ribbon award was given to Stephen J. Dean for his diligent work and his great improvement in reading.

National Book Week was celebrated in November with a display of books and exhibits in the auditorium. A book-guessing contest for the upper grades proved quite popular and the winners were presented their prizes at their respective schools by the librarians. The winners in the seventh and eighth grades were William Mathewson of West Springfield and Robert Biggert of New London, and Janet Lovely, also of New London, in the fifth and sixth grades. A puppet play, in a theatre built by Mr. Norman Champion, and given by the librarians, was enthusiastically received by the children. Several girls, including Sharon Wright, Sharon Wry, Judith Rivers, and Sandra-Jane Dean, loaned their favorite dolls to us for exhibit. Pictures of our New Hampshire display appeared in the Manchester Union-Leader and we were much pleased with several complimentary comments. During the week we were honored by the attendance of 375 people including all the grades of the New London Central School, Springfield Memorial School, North Sutton's Grade four, and the Kindergarten.

The Story Hour on Saturday afternoons has resulted in the teaching and entertainment of 374 children during the year.

We have stocked ten new pamphlets of additional vocational material for the High School. These include careers in architecture, journalism, pharmacy, dramatic art, kindergarten, automotive engineering, camera and photo supply shop management, public health, television and radio technician and serviceman, and positions for women in state, county, and city government work. These should prove useful for graduating students.

Many necessary repairs have been made on the outside of the building and on the windows. New shelves for the storing of large magazines have also been built in the basement. Mr. Edward Dexter has faithfully cared for the inside of the library and for our gardens, which have bloomed most profusely this year.

Again, our Christmas tree and candles lighted the pathway to the library for everyone through the holiday.

Librarian

REPORT OF THE NEW LONDON HOSPITAL BOARD

Members of the New London Hospital Board have held six meetings during the year.The following officers and directors have served.

President: Mr. M. Roy London, New London
Vice-President: Mr. Warren Sargent, New London
Secretary: Mrs. Mildred D. Lamson, New London
Treasurer: Mr. Herbert O. Williams, New London

Term expires 1952:
Dr. J. Duane Squires, New London
Mr. William F. Kidder, New London
Mrs. Marah C. Symes, Bradford

Term expires 1953:
Mr. Merle Rich, Newbury
Mr. George Draper, New London
Mr. Joseph Crowningshield, West Springfield

Term expires 1954:
Mr. Walter Heald, New London
Mr. Ernest Towne, New London
Mrs. Marion Humphreys, Andover

Ex Officio:
Mrs. Bradley Dewey, New London
Miss Lillian Ward, Andover, N. H.

Appropriations were voted at Town Meetings as follows:

New London	$5,000
Sutton	400
Wilmot	125
Bradford	200
Andover	125
Newbury	300

Dr. Anne Wasson of Bradford has been appointed a member of the Medical Staff at the Hospital.

Hospital Day under the direction of Mr. Donald K. Sieburg ably assisted by the following committee, Mr. Harry B. Harris, Mr. Kenneth Rich, Mrs. Robert Sawyer, Mr. Seth A. Lamson and Mr. Herbert O. Williams was a tremendous success in spite of inclement weather. The largest net ever $8,474.17 was realized. In addition to this approximately $2,800 was collected by the Summer Residents'

Committee. Members of the Board and the Hospital administration offer their heartfelt thanks to these committees and all who contributed so generously to the success of the day.

The gifts from the Summer Residents' Committee include a new hot water system $822.00, a new autoclave $2100, two folding wheel chairs $129.00. We are deeply grateful to this committee and to our summer residents for their interest in and generosity to the Hospital.

Hospital Aid continued their work in making improvements at the Nurse's Home. Patients' rooms have been redecorated, drapes made and chairs slip covered and bedside lamps purchased. The mending has been done. $500 was given to purchase linen and $195 was given to apply to the mortgage of the Nurse's Home. We are indeed grateful.

The mortgage on the Nurse's Home was completely paid off in November of this year.

The Woman's Club annual contribution of $50.00 was used in the work done in the X-ray room.

The Community Players under the direction of Vaughn Biggert presented the play, "You Can't Take It With You". The net receipts of $345.28 were given to the Hospital.

A donation of $500.00 was received from Colby Jr. College. The Colby students continue to maintain the Barbara Jane Baker Laboratory. This support is greatly appreciated.

A gift of money in memory of Mr. and Mrs. Preston Johnson by their family was used to purchase a new iceless oxygen tent. This has been in almost constant use and is proving invaluable.

Gifts in memory of Robert Smiley have been used to purchase a new stretcher. Gifts in memory of Marie Ray have been used to purchase a Distilled Water apparatus. Patient's bedside lamps have been given in memory of Mary B. Childs, an infra red light was given by Mrs. Ruby Hathaway. A room was decorated and some new furnishings purchased from a fund in memory of Mrs. Gertrude Kales. $75.00 was received from the Sunapee Horse Show. Numerous contributions to the Memorial Gift Fund have been received. Two hundred eighty three dollars have been

added to the endowment fund in memory of Mrs. Reverdy Smith, also one hundred sixteen dollars in memory of Dr. Albert MacIntosh.

Individual gifts of money, equipment, food, etc. too numerous to list in this report have been received. Our sincere thanks and appreciation to these and to the many benefactors of the hospital.

Miss Dorothy Hale, technician, left to be married after serving the hospital faithfully for four years. Miss Edith Bailey of Marblehead, Mass., has taken her place.

The cost to maintain the Hospital in 1952 was $13,499.54 more than the income received from patients. If it were not for the amounts received from Hospital Day, town appropriations, Summer Residents' Committee and all other gifts, it would be impossible for the hospital to serve.

Mrs. Sargent reports that the number of adult patient days in 1952 was 5205 and 794 baby days, making a total of 5999. 746 adults were admitted during the year and 92 births were reported. 380 out patients were treated. These figures show an increase over last year.

The Steering Committee for Building met with the Board in November to give a resume of their work to date. This committee, headed by Mr. Harry B. Harris has had the help of Mr. Donald Ritchie of Boston, Hospital Consultant, in some of their deliberations. They have an estimate of $250,000 to build a fireproof wing, equipped in the rear of the present building with a 30 bed capacity on one floor. This committee, if it is to continue to work, will need the full cooperation of the Board, medical and hospital staff and friends of the hospital. Mr. Ritchie met with the Board in December and he has been instructed to furnish preliminary plans for this proposed addition. Payment of $1200 for these plans is being made by an anonymous benefactor.

The officers and directors of the New London Hospital Board are deeply appreciative of the cooperation generously given. We look forward to 1953 and know that when we need it our Hospital is there to give it back hundredfold to each and every one of us.

Respectfully submitted,

MILDRED D. LAMSON,
Secretary

HOSPITAL AID ASSOCIATION
ANNUAL REPORT

October 1, 1951—October 1, 1952

Meetings of the New London Hospital Aid Association were held monthly from October, 1951, through June, 1952, with an average attendance of 26 members. The business of the organization was conducted at each meeting. The election of officers was held at the June meeting which was the last meeting of the season. Hospital mending and work on articles for the Hospital Day sale were done at each meeting.

Money-raising activities of the Hospital Aid were the membership drive, donation day, rummage sale, luncheon fund, sale of soft drinks and rent of pillows at the hospital benefit play, rent of pillows during the summer at the Barn Theater, and Hospital Day booth. This summer Soo-Nipi Lodge provided its own pillows for rental and gave the proceeds to the Hospital Aid.

During the year the following special projects were accomplished: improvements at the nurses' home amounting to $261.85; purchase and installation of a stainless steel developing tank for the X-ray room at the hospital which cost $100.00; an appropriation of $500.00 to the hospital for the purchase of linen supplies; serving lunch to the workers for the American Red Cross Blood Donor program held in New London in February.

This year the newly organized Hospital Decorating Committee made new curtains and re-covered chairs in the patients' rooms. The decorating by this committee enhanced the rooms so much and seemed to be another important service for the hospital so was made a permanent committee of the Hospital Aid Association.

The help and cooperation of many individuals and groups has made possible our contribution to the hospital. We extend grateful acknowledgement to the people of the surrounding towns and New London, to the members of the

association, and to those who have accepted added responsibility by serving on the various committees of the organization.

REPORT OF THE SUPERINTENDENT OF SCHOOLS

To the School Board and Citizens of New London:

I submit herewith my fifth annual report as Superintendent of Schools.

Enrollment

The enrollment for the school year, 1952-53, as of January 1, 1953, was 214. This is broken down as follows:

Grades 1-8	135
Grades 9-12	79

This year's Freshman Class was smaller than usual. However, the present elementary grade enrollments will cause subsequent Freshman classes to be larger—including the usual number of tuition students from the surrounding towns.

The enrollments in the elementary rooms are broken down as follows:

Grades 1 & 2	34
Grades 3 & 4	33
Grades 5 & 6	31
Grades 7 & 8	37

While our school census figures do not show a tremendous increase, neither do they show any marked falling-off in numbers. Consequently, under our elementary, double-grade-to-a-room setup, we will be forced to continue the present pupil-teacher ratio unless additional rooms are made available. Nationally, the recommended class size is 25 pupils per teacher. Some communities run even smaller classes in the primary grades. Our elementary rooms are averaging more than 30 pupils per room.

The warrant contains an article calling for the appointment of a Study Committee to consider the present and future school needs. Such a study and any subsequent action could bring long-range relief.

Another article in the warrant calls for the employment of an additional elementary teacher for next year. Such a person could serve as a helping teacher, giving particular relief

to the primary room as well as helping on a remedial basis in those other elementary rooms where the need is greatest. Such a service would provide some immediate relief next year—pending the study and recommendations of the Citizens Committee.

Tuition Costs

The tuition rates are as follows:

	High School	Elementary
1952-53	$250	$150
1953-54	$275	$175

Truant Officer

Chief Myron C. Adams was appointed Truant Officer. Fortunately, his duties in this capacity have not been heavy. We hope and expect that this will continue to be the situation.

School Plant

Minor repairs and the regular summer maintenance work, including refinishing of the gymnasium floor, were carried out by the janitor, Weston Ray. The upkeep of the Memorial Athletic Field, in addition to the regular maintenance work, gives Mr. Ray a very heavy summer schedule. His interest, effort and devotion to duty are qualities for which the District should be grateful.

Covers for the side entrances to the building, designed by the building architect, Mr. Irving Hersey, have been constructed and will be installed in the spring. These additions should correct the bad condition that has existed in inclement weather.

New Equipment

The major items of new equipment include:

34 metal desk and chair units for the Primary room

A vacuum cleaner

6 metal basket racks and 162 wire baskets (These are used in both boys' and girls' locker rooms for gym equipment storage. They greatly improve the locker room situation. Each student is assigned a basket with lock.)

Several pieces of Science apparatus were purchased to build up the equipment for Physics instruction.

2 Primary-sized lunch tables

8 Music Stands

1 typewriter was exchanged

Staff

New London has an excellent corps of teachers which serves the students with understanding, inspiration and sympathy. Various members of the staff might be rated from average to excellent, depending upon who was doing the rating. All of them have excellent potentialities and almost without exception are willing to give unstintingly of their time and energy for the benefit of the students.

The smooth, satisfactory operation of the School Lunch Program is a great credit to the hard work and efficiency of Mrs. Woodward, assisted by Mrs. Pellerin. The task of feeding an average of 140 per day, where all food must be carried upstairs, and where the meals must be kept at a low cost and still meet dietary specifications, is an undertaking sometimes not fully appreciated. The keeping of the necessary records and accounts for this program by Mr. Livingston takes a good deal of time and must be done in addition to the multitude of activities expected of a Principal.

I should also like to make mention of the fine school health program and pay tribute to the work of Mrs. Della Spiller. (The details of her work as School Nurse are carried elsewhere in this report.) Her interest and concern for the welfare of the students should be appreciated by the community. We are indeed fortunate to have her services.

Conclusion

The work of the school touches many phases of community activity. It is my hope that our accomplishments will be such as to merit the continued interest and generous support of the citizens of New London.

Respectfully submitted,

GORDON B. FLINT,
Superintendent of Schools

REPORT OF THE PRINCIPAL
TO SUPERINTENDENT GORDON B. FLINT

Dear Mr. Flint:

I submit herewith my report as Principal of New London Central School.

The many activities that are held during a school year have become an integral part of the School Life of each student and many of the activities form a basic part of the process of becoming a good citizen. Various classes, the Student Council and student committees working with faculty members spend considerable time working out plans for the many functions. Through these meetings the students learn about the democratic way of working out the numerous details that go with each activity and in turn acquire a basic understanding of working together toward a common goal.

As soon as the regular routine of school had taken over in September, the classes began having class meetings with their class advisors to elect class officers and Student Council members. With the preliminary work out of the way plans were set up by each class for the year and the feeling that school had really begun was in the air.

The seniors along with Miss Eleanor Parker soon found themselves busy rehearsing and finding stage props for their play, *January Thaw,* which they presented November 7 to a very enthusiastic audience. At the same time they were working on various phases of getting together the material for the first deadline of the Exodus, annual yearbook.

The school was fortunate in being able to be a part of the College and Community Conference on Marriage and the Family in November. It was, no doubt, one of the high lights of the year.

The annual Open House during Education Week in November followed the same general plan except that the band, with Mr. Herwood Curtiss as its leader, presented a short concert that made everyone present proud of our band.

About fifteen juniors and seniors attended the High School-University Day at the University of New Hampshire last October and came home knowing more about colleges. They were able to get first hand information about fields of study they hope to follow when they graduate from high school.

Three of the assemblies held during the past year seemed to stand out above the others. One of these, the annual United Nations Day program presented by Dr. J. Duane Squires and students of Colby Junior College, was extremely interesting this year. Miss Agnes Lind of Norway and Miss Sachiko Mizoguchi of Japan told many interesting things about their homelands in comparing ways of life with that in our own country. A second one that held a spot of interest was an address by Rear Admiral Ellis M. Zacharias. The third one was a mock Town Meeting which was held just prior to the regular Town Meeting. The speeches that were made for or against the various articles would have made many parents proud of their children. It was an indication that Town Meetings in the future will remain a common meeting ground for the citizens of New London.

The Music Department under the leadership of Mrs. Alberta Fisher continued to be one of many activities. Some of the more important programs were the Christmas Cantata, the joint Concerts with Sunapee, the Pops Concert, and the seventh and eighth grade concert with the Sunapee seventh and eighth grades. Five members of the Glee Club attended the All-State Music Festival in Rochester.

Eight students attended the annual Speech Tournament in January at the University of New Hampshire.

The fifteenth annual Heidelberg Prize Speaking Contest was held in February and the results were as follows:

Serious Declamation
1st Richard Wry
2nd Flora Barton
3rd Gladys Edmunds
Honorable Mention Kenneth Rich, Jr.

Humorous Declamation
1st Beverly Wells
2nd Vernon Squires
3rd John Cragin
Honorable Mention Vera Murray

The winners of the annual New London Woman's Club Essay Contest were:
1st Kenneth Rich, Jr.
2nd Laura Homan
3rd John Adams
Honorable Mention Daila Ozolins

The Freshman, Sophomore, and Junior classes again presented one-act plays in the spring. These have become so popular they have been made an annual affair.

The boys' basetball team was invited to the Class C tournament and had a real busy time. They won over Troy in the playoffs, Charlestown in the quarter-finals, but were beaten by Whitefield in the semi-finals, who went ahead to become the Class C champions.

Mrs. Beth Woodward, the School Lunch Program Supervisor, continued to make the Lunch Program one of the most important parts of our whole school program. Each year more students are participating in the program and it is our hope that eventually all children, who must eat at school, will take part in the program.

The annual Fisherman's Breakfast on May 1 received state recognition this past year when two members of the State Education Department were here to take a series of pictures to be used in publications. Over seventy were served breakfast and many prizes were given for the fine catches of trout brought in. Inquires have been received from schools both in and out of the state about this type of recreational education.

The annual Sub-Freshman Day was held in May for all prospective freshmen from the surrounding towns. It gives them an opportunity to see us in action.

Several educational trips were taken during the year to obtain first hand information about things that were studied in the classroom.

The Heidelberg Chapter of the National Honor Society accepted the following seniors as members in June 1952:

Dorothy Colburn	Daila Ozolins
Phillip Dow	Vernon Squires
Laura Homan	Jean Weber
Dorothy Jaster	George West
Jane Lovering	Richard Wry

The New England Association of Colleges and Secondary Schools accepted New London High School as a member in recognition of its high standards. Membership in this organization and the National Honor Society indicates the school is headed in the right direction.

The fine support given to the school by the community and the school officials and the untiring efforts of the faculty encourages us to strive to move forward and not to become satisfied with what we have done in the past.

Respectfully submitted,

ROBERT J. LIVINGSTON,
Principal.

In explanation of the seeming high number of School Visits made, each time a school room is visited, or a contact made with a child or teacher from a school room, in regard to Health, it is counted as a school visit.

Many of the services performed by the so-called Health Teacher are outside of the school building, in friendly and professional advice given to parents, in their homes, and arranging for remedial services, when so desired, or other services needed.

Your school nurse is very grateful to all who have assisted in any way, to keep the Health Work going in the New London Schools.
